

# PHOENIX

## Drop Forged HAMMERS

Here's the finest hammer on the market today. It's the Phoenix Octagon DeLuxe. Drop forged from highest quality forging steel, it has the ruggedness for years of tough service. Claws and face are flame hardened. Entire head (including under side of claw) is fully buffed and polished, then triple wedged to the first grade, seasoned and kiln dried hickory handle. Grip is improved design to make nail driving a smooth, easy job.

*Call your jobber today!* Order the complete Phoenix line. It includes ripping, claw, ball pein and bricklayer hammers in several grades. It gives you a full range of hammers—each one the best that money can buy in its price class.
